

**Interview Summary**

We thank the Examiner for his time during the Examiner Interview of October 27, 2009, 3:00 PM (EST). The interview was conducted via telephone, and the attendees included Examiner Peng Ke and Nicholas Peters. The interview included discussion of proposed amendments to the claims of the application including the teachings of FIG. 2 of the application and the teachings of cited prior art references, U.S. Pat. No. 5,819,028 to Manghirmalani ("Manghirmalani") in view of Tuli et al. U.S. Pat. No. 6,256,651 to Tuli et al. ("Tuli"). The Examiner suggested a couple of modifications to the proposed amendments, which ideas are generally incorporated into the claims. No final agreement was reached regarding the claims. We thank the Examiner for his thoughtful insight and guidance regarding this case.
